Subject : Internship Timeline

Dear Students,

We believe that this internship program will be a valuable learning experience for students to apply their knowledge in a working place setting. Therefore, internship is one of the crucial programs that must be implemented.

Within this letter, we would like to announce you some important information.

To be able to join the **judicium and commencement ceremony in August**, student should have passed the internship program. Hence, please be highlighted that all senior students are required to start the internship program on **March 22nd, 2024** by the latest.

If the internship company had not been found yet and Internship Agreement Form had not been submitted to Academic Affairs by the date mentioned above, students would have not been able to register for the judicium and commencement ceremony.

Best Regards,

Alfred Tenggono, S.Kom., M.Kom.
Director of Academic Affair
