SELECTION OF NEW STUDENT

JIU offers four-year Bachelor's degree programs in the following study programs: English Language, Japanese Literature, Information System, Information Technology, Visual Communication Design, International Business Management, and Accounting.

Selection Methods

- **ADMINISTRATIVE SELECTION.** It verifies the academic qualifications and achievements of applicants through supporting documents such as school transcripts and certificates. Its purpose is to ensure that prospective students meet the university's minimum academic standards.
- **INTERVIEW SELECTION.** It assesses prospective students through an interview to evaluate their communication skills, motivation, and readiness for higher education. It provides insight into the character and potential of each applicant.
- **ENGLISH PROFICIENCY TEST.** It evaluates applicants' English skills through an online written test, indicating their ability to engage with academic materials and participate in an international learning environment.
- **COMPETENCY ASSESSMENT.** It aims to ensure that prospective students meet academic standards and possess the specific competencies required to succeed in their chosen study program.

Application Document

- High school diploma (SMA/SMK) / SKL
- Certificate of Graduation, if the diploma has not yet been issued by the school
- Identification documents such as National Identity Card (KTP), Family Card (KK), Birth Certificate
- Any additional documents of achievements or recommendations

ADMISSION PROCESS

New student admission process runs from September 1st, 2026 to June 30th, 2027 for the 2027/2028 academic year. The process involves the following steps:

Step 1: Online Application

- Prospective students apply through the official admission portal:
<https://pmb.jiu.ac/>
- The process begins with creating a registration account and completing all required personal information.

Step 2: Interview Session

- After completing personal information, students will be invited to attend an interview session via Google Meet.
- The interview is conducted in both English and Indonesian.
- Purpose of the interview session is to assess communication skills and readiness for academic engagement.

Step 3: English Proficiency Test

- After the interview, students are scheduled for an online English proficiency test through JIU's New Student Admission Management System (SIKAD), accessible via the admissions portal.
- The test is held once a week (Every Thursday at 17:30 WIB) in group sessions via Zoom.
- Students must prepare an appropriate device (laptop or two smartphones).
- The test is conducted via Zoom to ensure integrity, and cameras must remain on throughout.

Step 4: Additional Test (Program-Specific Requirements)

- Information Technology (IT), Accounting (ACC) & Information Systems (IS): Must take an Academic Potential Test (APT) or Math Test.
- Visual Communication Design (VCD): Must submit artwork samples and complete a colour vision deficiency screening.
- These additional assessments are tailored to the unique requirements of each study program.

Step 5: Application Status Announcement

- Prospective students who successfully pass the tests will receive a Letter of Acceptance (LoA).
- The LoA contains detailed information regarding tuition payments, scholarships, and new student regulations.

ADMISSION PROCESS (CONTINUED)

Step 6: Submission of Personal Statement Letter

- Students who decide to accept the Letter of Acceptance are required to submit a personal statement letter as an official confirmation of their acceptance.

Step 7: Payment of Commitment Fee

- Students pay a commitment fee of IDR 1,000,000 through the SIAKAD system.
- Payment must be made within two weeks after submitting the personal statement letter.
- The commitment fee is part of the initial tuition payment and is refundable up to 50% if the student is accepted into a public university.
